Migration Procedure - United Kingdom

- Certificate of professional status from the regulator
- Documentation of applicant's name, date of birth and nationality (e.g. copies of relevant pages from passport)
- Assessment of language skills (when resident outside the EU)

Information on temporary registration: <http://www.hpc-uk.org/apply/temporary/>

Further requirements:

The United Kingdom does not have automatic recognition of migrants from EU countries and reserves the right to prove each applicant individually. Aptitude tests can be provided at request by the applicant. Adaptation periods are usually arranged through the anticipated employment with theoretical education in conjunction with clinical placements and supervision when necessary.

Knowledge of the host country's language must be achieved. The migrant applicant does not become a member of the association when applying, but a registrant.

Please contact the U.K. association for further details.
